- 9.20 - 9.40 am Traumatic brain injury – Critical Care Management (PD Dr. Trachsel, UKBB)
- 9.40 - 10 am Coffee break

### Pediatric LGG/Incidentaloma

- 10 - 10.20 am Childhood LGG and Incidentalomas an Overview (Dr. Scheinermann, UKBB)
- 10.20 - 10.40 am Childhood LGG and Incidentalomas - Radiological Aspects (Dr. Ben-Sira, Tel Aviv)
- 10.40 - 11.00 am Controversies in the Management of Childhood Incidentalomas (Dr. Soleman, UKBB)

### Keynote Lecture I

- 11 am - 12 pm Childhood Incidentalomas - My Experience (Prof. Edwards, Stanford)
- 12 - 1 pm Lunch

### Dysraphism

- 1 - 1.20 pm Spina Bifida Aperta and Occulta - An Overview (Prof. Guzman, UKBB)
- 1.20 - 1.40 pm Pre- and Postnatal imaging in spinal dysraphism (Dr. Ben-Sira, Tel Aviv)

# Programm

### Keynote Lecture II

- 1.40 - 2.40 pm Fetal surgery in spina bifida (Prof. Meuli, University Childrens Hospital Zurich, KiSpi Zurich)
- 2.40 - 3 pm Round Table Discussion - Treatment of Spina bifida (Chair: PD Dr. Kothbauer LUKS, Prof. Edwards Stanford, Prof. Meuli KiSpi Zurich, Prof. Guzman, UKBB)
- 3 - 3.30 pm Coffee break
- 3.30 - 4 pm Surgical and long term management of malformations associated to complex spinal dysraphism (Prof. Holland-Cunz, Dr. Subotic, UKBB)
- 4 - 4.20 pm Dysraphism Urological surveillance and outcome (Maja Horst, KiSpi Zurich)
- 4.20 - 4.50 pm Dysraphism Associated Spinal Deformities (Prof. Hasler, UKBB)
- 4.50 - 5 pm Closing remarks Prof. Mariani (USB, UKBB)
- 5 pm Apéro riche

## June 15, 2018

- 10 am - 3 pm Hands on course on Pediatric Hydrocephalus and Intraventricular Pathologies including Endoscopy and Virtual 3D, for residents and interested attendees

# Registration

Please register until May 31, 2018  
Participation in the symposium is free of charge  
Credit points: SGNC, SGNP, SGP, SGKC
